Dear Parents and Carers,

Thank you for your continued support of our WWPS Canteen and a very big welcome to our new WWPS families!! Our canteen continues to be approved by the **NSW Healthy Canteen Strategy**.

WWPS P&C runs the canteen as a not for profit enterprise and we price our food to enable us to operate the canteen to cover operational/running costs. Please find overleaf our Term 1 2024 **MENU!** Please contact us regarding any special dietary needs and we will work with you directly to adapt any menu items to suit the needs of your children.

Our canteen continues to be managed by Jenna Willoughby! Jenna is doing an amazing job and is very passionate about preparing delicious and healthy food for our wonderful students, teachers and school community. Please drop by the canteen to say g'day to Jenna when visiting the school!!

Canteen volunteers have always played an important role in our day to day operations, and have allowed the canteen to operate 5 days a week. Jenna welcomes all new and existing volunteers - a few hours can make the world of difference during a busy day. Jenna is happy to liaise with parents, carers, grandparents, aunts, uncles and the wider school community to develop a roster that suits each volunteer's availability and needs.

We appreciate and welcome your feedback — if you have any suggestions or ideas, please speak with Jenna or email us on wwps.pc.canteen@gmail.com

If you have any questions or concerns regarding our canteen service or food products, please email us on wwps.pc.canteen@gmail.com, speak directly with the P&C President, or use the "Feedback Box" on the canteen bench.

A reminder to all parents/carers that there is no credit facility available to students. To be of assistance, we have included Canteen Ordering Instructions—which also includes details of payment options.

We hope you all enjoy Term 1 2024 and we look forward to seeing you in the canteen.

Warm regards

WWPS P&C Canteen Committee
