Please find following Codes of Fair Play for students, and Codes of Support for Fair Play for staff and community involved in Riverina School Sport

I have put these together from a couple of sources in response to some behaviours that have surfaced as Riverina teams have competed in PSSA sporting competitions and trials. Whilst not being a major concern, the issues of being good losers and winners have been raised with me by several schools.

Please ensure all people involved in Riverina sport are made aware of our high expectations, and the need to uphold these Codes.

Jim Roworth,

President

Riverina PSSA.

CODES OF FAIR PLAY

Codes of Fair Play provide a supportive framework which promotes fair play and appropriate behaviour in school sport. These codes apply to players, teachers, coaches, principals, parents, officials and spectators who together provide the environment in which school sport is played. The following Codes apply to school sport at all levels and are designed to highlight:

- the principles of enjoyment, satisfaction and safe play in sport
- that students participate for their own sake and not to fulfil the desires of parents, adult groups or peers
- the encouragement of student participation in sport and its contribution to higher levels of student health and physical fitness.

PLAYERS' CODE

- Play for the fun of it.
- Play by the rules and always abide by the decisions of officials.
- Control your temper. Make no criticism either by word or gesture. Deliberately distracting or provoking an opponent is not acceptable or permitted in any sport.
- Work equally hard for yourself and your team. Your team's performance will benefit and so will your own.
- Be willing to train and prepare for the game or competition. Preparation helps prevent injury and increases the level of enjoyment.
- Play only when you are fully fit. To play with injury will handicap your team, and may expose you to the risk of further and more serious injury.
- Be a good sport. Applaud the good play of your team mates and that of your opponents.
- At all times cooperate with your coach, team mates and opponents, for without them you do not have a competition.
- Remember the goals of the game are to have fun and improve your skills. Be modest in success and generous in defeat.

CODES OF FAIR PLAY

TEACHERS' AND COACHES' CODE OF SUPPORT FOR FAIR PLAY

- Encourage students to develop basic skills in a variety of sports and avoid over specialisation in positional play during their formative years.
- Create opportunities to teach appropriate sporting behaviour as well as basic skills.
- Teach your players to play by the rules. The rules are designed to maximise enjoyment and safety.
- Give all players equal time in the game or competition. They need and deserve it.
- Remember that students play for the fun and enjoyment and that winning should not be over emphasised. Never ridicule students for making mistakes or losing a competition.
- Ensure that equipment and facilities meet safety standards and are appropriate to the age and ability of the participants.
- When scheduling and determining the duration of training sessions and competitions, take into consideration the age and maturity levels of the students.
- Develop team respect for the ability of opponents, as well as for the judgement of officials and opposing coaches.
- Follow medical advice when determining when an injured player is ready to play again.
- Remember that students need a coach they can respect. Be generous with your praise when it is deserved and set a good example.
- Keep abreast of sound coaching principles and the principles of growth and development.
- Develop in students an awareness of the physical fitness values of sports and their life-long health and recreational value.

CODES OF FAIR PLAY

CODES OF FAIR PLAY

PARENTS' CODE FOR SUPPORT OF FAIR PLAY

- Encourage your child to always play by the rules.
- If children are interested in sport, encourage them to participate. Refrain from forcing an unwilling child to participate.
- Remember that children participate in organised school sports for their enjoyment and fulfilment, not yours.
- Teach your child that honest effort is as important as winning so that the result of each game is accepted without undue disappointment.
- Encourage your child to work towards skill improvement. Never ridicule your child for making a mistake or losing a competition.
- Always encourage the principle of good sportsmanship.
- Children learn best by example. Applaud good play by all individuals and all teams.
- Do not publicly question the officials' judgement and never their honesty.
- Appreciate the contribution and commitment of teachers in coaching positions. They give their time and resources to provide sporting activities for your child and deserve your support.

CODES OF FAIR PLAY

SPECTATORS' CODE FOR SUPPORT OF FAIR PLAY

- Students play organised sport for their own enjoyment. They are not playing to specifically entertain you.
- Always respect the decisions of officials.
- Never encourage physical or verbal abuse of players, coaches, officials or other spectators.
- Applaud good play by your own team and that of the opposing team.
- Show respect for your opponents. Without them there would be no game.
- Never ridicule a player for making a mistake or losing a competition.

TEN WAYS TO BE A GOOD SPORT

Here are some ways that young sports men and women can show others what good sportsmanship is all about.

- Be polite to everyone you're playing with and against. No trash talk — which means saying mean things while you're in the middle of a game.
- Don't show off. Just play your best. If you're good, people will notice.
- Tell your opponents "good game!" whether you've won or you've lost.
- Learn the rules of the game. Show up for practices and games on time — even if you're the star of the team.
- Listen to your coaches and follow their directions about playing.
- Don't argue with an official if you don't agree with his or her call. If you don't understand a certain call, wait until after the game to ask your coach or the official to explain it to you.
- Don't make up excuses or blame a team mate when you lose. Try to learn from what happened.
- Be willing to sit out so other team members can get in the game — even if you think you're a better player.
- Play fair and don't cheat.
- Cheer for your team mates even if the score is 1,000 to 1! You could inspire a big comeback!
